

## AESC 2017 SCHOLARSHIP PROGRAM Instruction Sheet

### Sponsored by the Association of Energy Service Companies

**OBJECTIVE:** To provide educational assistance to an employee, spouse, child or other legal dependent of an employee of a National AESC member company, and thereby encourage him or her to continue education past the high school level.

**ELIGIBILITY:** Applicant must be (1) the legal dependant (spouse, natural child, stepchild, or adopted) of an employee from an AESC member company in good standing at the national level; OR (2) a bona fide employee of a National AESC member company. Awards will be made only to those entering or continuing undergraduate degree, graduate degree or vocational programs. The scholarship recipient is eligible for a maximum of 4 years as long as the minimum standards are maintained as mentioned herein.

**ASSISTANCE:** Cash scholarships will be paid to state accredited vocational schools upon admission of the student selected. The checks will be made payable to the student and the school and sent directly to the student.

APPLICATIONS: Only official 2017 AESC Scholarship Forms will be accepted. Application forms and all supporting materials must be returned to your local AESC Chapter Chairperson by 5pm on March 24, 2017. No late applications will be accepted. No applications will be processed without a copy of the most recent OFFICIAL transcript of high school or college grades, official documentation of ACT or SAT test scores and a personal essay. Applicant must include the name of the college or trade school they plan to attend. Applicant must notify the AESC National Office in writing if there are any changes. Your local Chapter Chairperson and the local scholarship committee initially screen all applications submitted and forward to the AESC National Office those selected for further consideration. The AESC National Scholarship Committee will then select the recipients of the cash scholarships. Recipients will be notified by mail and/or email. Those applicants living outside organized AESC chapter areas may mail the application and accompanying materials directly to the AESC National Office. If you are unsure of where to submit your application, contact Kenny Jordan or Susan Dudley with the National Office at (713) 781-0758 or by email at kjordan@aesc.net or sdudley@aesc.net.

#### **AWARD PROCEDURES**

- 1) Applications must be received by your local Chapter Chairman by 5pm on *March 24, 2017*.
- 2) Local chapter scholarship committee initially screens all submitted applications and may forward up to six candidates to the AESC National Office for further consideration.
- 3) Only recipients chosen by AESC National Scholarship Committee are notified by mail and/or email.
- 4) Award winners will be announced in the AESC publication, Well Servicing magazine.
- 5) One check will be issued to the student and the school and will be mailed to the student. It is the student's responsibility to submit the check to the college/university. Checks will include a form to be signed and returned to the AESC by the school. This form acknowledges the understanding that the funds must be applied to matriculation, tuition, fees, or any incidental educational expenses with a balance at the end of the semester year carried forward for the student's account and any balance remaining is to be refunded to the AESC after the student leaves the school.

2016 *National* winners must complete a 2017 Renewal Application that will be sent to each student directly from the national office.

Contact Kenny Jordan or Susan Dudley with the AESC National Office at (713) 781-0758 or kjordan@aesc.net or sdudley@aesc.net for more information.

#### SCHOLARSHIP CANDIDATE SELECTION CRITERIA

Applicants must be either a bona fide employee of an AESC member company or a legal dependent (natural child, step child, adopted or spouse) of an employee of an AESC member company, entering or continuing full-time undergraduate degree or vocational programs. If you are unsure whether you are eligible under the membership section, contact the National AESC office at (713) 781-0758.

#### **APPLICATIONS**

Applications must be completed accompanied by a recent high school or college transcript, SAT or ACT scores, and a one-page personal essay (as outlined on the application). Financial need should be taken into consideration, but at the national level it is not a sole determining factor. Look for an explanation of gaps between non-consecutive college semesters or between high school and college enrollment. An explanation of gaps must be provided in the space on the application.

#### **TRANSCRIPTS**

Grade point averages between 3.0 (B) and 4.0 (A) merit serious consideration. Class rank should be taken into consideration, as should class load and difficulty of classes taken. (Note: With honors classes, it is possible for students to have GPAs greater than 4.0) NO UNOFFICAIL TRANSCRIPTS WILL BE EXCEPTED AT THE NATIONAL LEVEL. NO EXCEPTIONS.

#### **TEST SCORES**

It is essential to have the official copy of the SAT or ACT scoring. 36 is a perfect ACT score. 18 or above is considered *very good*. 1600 is a perfect SAT score. 1000 or above is considered *very good*.

#### **ESSAYS**

A personal essay is required in order to get a broader view of the applicant. It should clearly communicate (*without grammatical, spelling or punctuation errors*) the student's educational goals, career objectives and how his or her chosen school will help in achieving those goals.

#### **COMPLETED APPLICATIONS**

All completed applications should be sent to the AESC Chapter Chairperson in your area no later than March 24, 2017 by 5pm. Enclosed is the list of all chapters and a list of our chapter chairpersons. Do not send your application to the AESC National Office, unless you are in an outside area (check enclosed list of chapters).

If you are uncertain what chapter area you're (refer to Chapter Chairperson list) or please contact Kenny Jordan (kjordan@aesc.net) or Susan Dudley (sdudley@aesc.net) or by phone (713) 781-0758.

Students who are awarded scholarships this year will be eligible for renewal the following year if the following criteria are met.

- \* Evidence of Admission form on file from previous year
- \* maintain a "B" average or above (3.0 GPA overall)
- \* a minimum of 12 hours the previous fall semester must have been completed and be currently enrolled in a minimum of 12 hours during the spring semester
- \* the student must still be a bona fide employee of an AESC member company or a legal dependent (natural child, step child, adopted or spouse) of an employee of an AESC member company, continuing full-time undergraduate degree or vocational programs.

#### **Evidence of Admission Form**

Each student who receives a scholarship will be required to return an Evidence of Admission form to be filled out by the University's registrar. This form will be mailed directly to the student along with the scholarship check that will be made payable to both the student and the university/college.

\* The AESC reserves the right to revoke the full or partial amount of any scholarship monies awarded due to non-compliance of selection criteria, missing or delinquency of any set deadline (time or date), incomplete documentation upon giving student written notice of revocation.
